

POWERFUL INSIGHTS IN THE PALM OF YOUR HAND

MAXimize Revenues / MAXimize Installations / MAXimize Performance
Connected video, access and intruder security with business intelligence

MAXPRO® Cloud

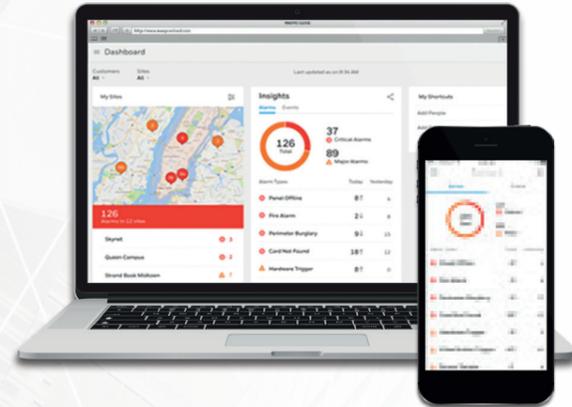

Honeywell

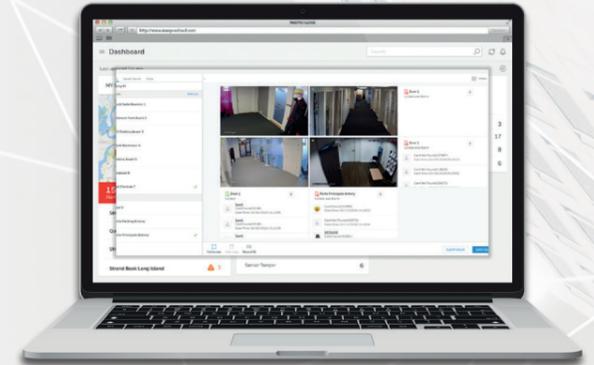

INTRODUCING MAXPRO® CLOUD

Where Smart Security Meets Business Insight

- MAXPRO® Cloud is a Honeywell cloud based integrated connected building platform designed for small-to-medium business customers. It delivers real-time access control, video surveillance, and intrusion detection to any mobile device connecting customers to their buildings and enabling a user to make informed business decisions. Anytime. Anywhere.
- It's more than just a security system, MAXPRO® Cloud is a dynamic business tool that provides actionable insights you can use to improve service and drive down costs.

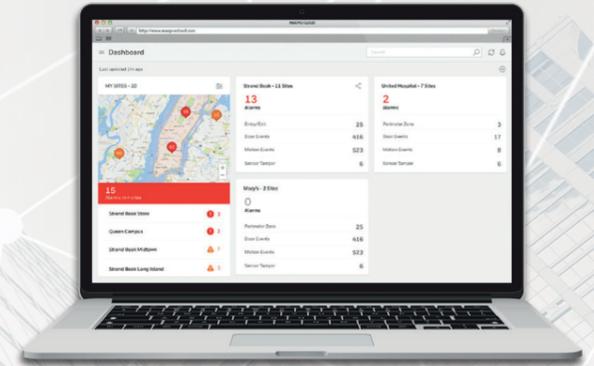

1 Simple management and monitoring across multiple sites

2 Improved visibility, safety and security (multi-screen view with video and access, visual management screen video access intrusion)

3 Easy user and access administration improving site security

4 Remote facility management (lock unlock / arm disarm)

Dashboard My Sites Live Controls Viewer Alarms & Events People
